 Great training session - learnt a lot!
 Really good useful information delivered by a great enthusiastic team
 All information relevant - a course I would recommend
 Enthusiastic teaching and really useful thanks
 Very helpful to make transfers more structured. Good to go over equipment
 Very good, very well organised and useful, extremely pleased I was able to attend
 Excellent training day thank you
 Really enjoyable course

Selection of candidate comments
 we cannot transfer without doing this course or ITU course or ILS. Which was hugely annoying initially - but now it makes total sense - I have realised that I transferred quite "blindly" in the past and I have learnt a lot today thanks

 Very well presented practical and applicable
 Very useful training thank you
 Thanks I will implement this on my unit
